Dear UST Alumni and Supporters:

The University of Santo Tomas Nurses Association of America will hold National Convention and Leadership Summit in Houston, Texas, on Sept 8-11, 2011 in celebration of the university's 400th anniversary, having been founded in 1611.

The USTNAA-METRO HOUSTON will be hosting this monumental convention and celebration. We would like to invite you to join us and acquaint with our fellow Thomasians coming from the different parts of the continental United States, Canada, Philippines and other parts of the world.

To commemorate this memorable event we are publishing a souvenir program. This is principally going to raise funds to support our ongoing programs such as providing scholarships to UST nursing students and other endeavors to further the mission of unity, cohesiveness and community spirit among Filipino-American nurses.

We are therefore soliciting your kind support by advertising your associations, business or simply making personal announcements, greetings, or messages. Please return the enclosed form together with your check payable to
