We really cannot afford not to be part of it. There will be other activities planned by the University and the College as well as by your respective classes (like mini reunions & outings). We will keep you all posted on these events..

For further information, you may get in touch with the TINC Planning Secretariat thru email at ustnaai@yahoo.com. Watch out for the on-line registration form we will be coming out soon at our USTNAAI website. We look forward to hearing from you. Do help us spread the invitation to all other Thomasian nurses who are in your area and your contact list by forwarding this message to them. Thank you for your support.

God bless you all.
